

# ATHENS

## RIVIERA

ASSOLITE

We want to present Athens as a new, modern, European, metropolitan city—a city which is safe and bright, with social justice and democracy, a city where one will not be struggling to survive, but would want to live in: (We want) a city where everyone has a place, a city uniting us all. Those living here, working here, visiting her, loving her. ☺☺

Kostas Bakoyannis, *mayor of Athens*

1. Professional basketball player Giannis Antetokounmpo;
2. Founder of The Intermission Artemis Baltoyanni;
3. Olga Geroulanou Votis, Kalliopi Karella Rena and Nora Okka;
